THE GYPSY

Oh, put me out on the dusty trail,
 Let the wild wind toss my hair;
 Let me roam the hills in the untamed gale,
 Let me sleep with the flowers there.

Let the golden sun kiss my wind-burned face,
 Let the moon be my only lamp;
 Let me run with the breeze in a hard-won race
 While the stars watch over my camp.

What care I for the rich man's gold
 When the wind is rushing by?
 For my heart is young, and my blood is bold,
 And God looks down from the sky.

So put me out on the dusty trail,
 With Heaven my only goal;
 Let me wander through grass-green wood and dale;
 Let the sky be the bonds on my soul.

BOB STEPHEN

Robert "Bob" Stephen, star track and football man, can readily be called Joliet's outstanding athlete since Pug Rentner. Bob has been competing in track and football since entering as a freshman.

He does well with the discus, holding records at Clinton, Iowa, and for the district meet. He has not been beaten in the shot for the last three years and holds the state record for this event.

Bob was also a football player. He was chosen all-conference tackle in '32, and also all-state tackle. Coach Doug Mills believes he is the best tackle in high school football.

One of the best football games that Stephen ever played in his four years of competition was against West Aurora this last season. West Aurora's two all-state, all-conference halfbacks could not gain an inch through his side of the line.

The state meet at Champaign, May 21, was run off in perfect track weather, and Bob made use of it to crack his last year's shot record of 50 feet, 6 inches, with a toss measuring 51 feet, 11 1-8 inches. He also took second place honors in the discus with a heave of 124 feet, 5 inches.

Boys' Athletics

HEAVYWEIGHT FOOTBALL

Joliet finished in third place although they held West Aurora, the conference champs, to a 6 to 6 tie.

Lee Strappazon and Bob Stephen were chosen on the coaches' all-conference team. The stellar playing of both these boys helped the squad out many a time. A broken shoulder suffered by Earl Pederson in the 12 to 0 victory over Rockford, last year's conference champs, handicapped the team for the rest of the season.

A 58 to 6 victory over West Chicago was one of the largest scores ever rolled up by a Joliet team.

Paul Savich was elected captain for 1932; and with a squad of six regulars back the prospects for next year are exceptionally good.

LIGHTWEIGHT FOOTBALL

The 1931 season was the first that the Lightweights have ever finished under third place since Coach Wykoff took them over in 1923. Injuries along with ineligibility took their toll from the ranks, and the absence of a good forward passer as well as a punter were also felt.

The team, while not up to standard, played to the best of their ability a fighting game of football. All the games were fairly close in score with the exception of the Elgin game.

HEAVYWEIGHT BASKETBALL

Coach Mills had but one regular, Captain Jay Wardley, to start the 1931-32 season. The team started winning from the start and did not stop until it had won the first undisputed conference championship for Joliet since the conference was organized in 1912. The season's record was 16 games won and 3 lost.

A sensational victory over Decatur, the 1931 state champs, in a charity game, and two decisive victories over Elgin, Joliet's traditional rival, were the highlights of the season.

Captain Wardley and Jimmie Furlong were the unanimous choice of the coaches for the all-conference team. Augie Beltzner and Don Jones were picked on the second team, and Louis Kenney was given honorary mention.

Don Jones was elected captain for the 1932-33 season.

LIGHTWEIGHT BASKETBALL

The lightweight basketball season of 1931-32 was an example of old man "hard luck" himself. Three games were lost by a margin of one point. Rockford, who won the conference title, was beaten by Joliet in both games. However the boys finished in second place.

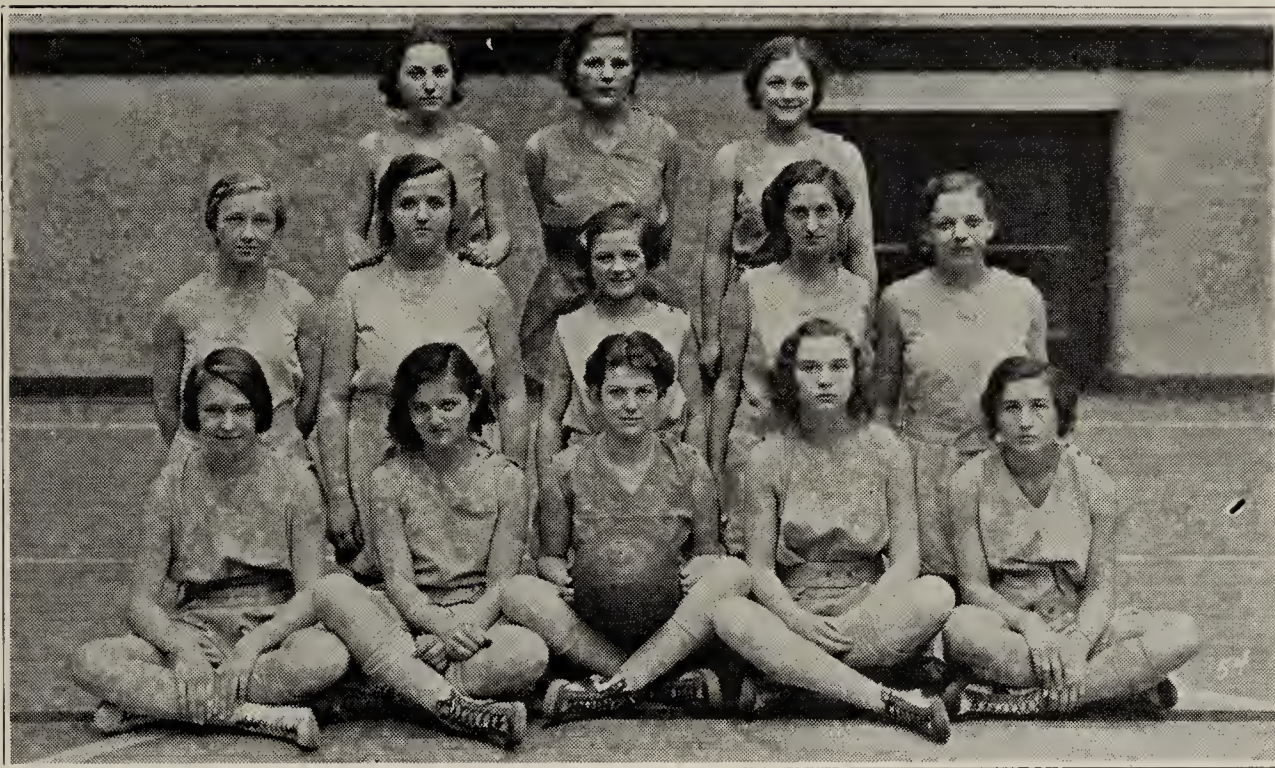

The first state tournament for lightweights was held this year; and Coach Wykoff entered his ponies and went through to the semi-finals finishing only four games away from the state championship.

HIGH SCHOOL TENNIS

Joliet climaxed the brilliant 1931 tennis season by making a clean sweep in the conference meet. Jones and Sprague in the singles, and the doubles teams of Carlson-Hoffer and Carlos-Kerr won all matches. Don Jones won the state singles title, defeating such stars as Shostrum, of Parker; Butler, of Danville; and Braun, of Belleville.

The 1932 season started slowly, Carlson, Carlross, and Gerkenmeyer, all letter men, being lost by graduation. Fighting to take their places were: Richmond, Hamlin, Johnson, Grohne, Rogers, and Jensen. The team that represented Joliet in the district meet played steady tennis to cop the title. Again Jones won the singles, while Hoffer and Sprague won the doubles title. The toughest break of the season came when Jones became ill on the eve of defending his state championship. The clouds turned to sunshine when Hoffer and Sprague, with steady doggedness and at times brilliant tennis, annexed the state doubles title. It was Joliet's second state championship in consecutive years. The scores by rounds were:

- (1) Won from Yeaton-Mercer (Oak Park) 6-8; 6-2; 6-3.
- (2) Won from Frye-Geer (Vermont) 6-2; 6-1.
- (3) Won from Engle-Friedman (Lane Tech) 4-6; 6-1; 6-0.
- (4) Won from Miles-Walker (Hyde Park) 6-3; 8-6.
- (5) Won from Burgess-Quayle (Oak Park) 6-4; 6-4.

GIRLS' ATHLETICS

Girls' athletics are under the auspices of the G. A. A., sponsored by Miss Dorothy Westendarp and Mrs. Phoebe Ann Kirby. The officers are Caroline Huey, president; Eloise Hunt, vice president; Geneva Agazzi, secretary-treasurer; Willa Lou Longley, social committee chairman; Viola Larson, advertising chairman; and Christine Schwartz, head of sports. The G. A. A. manages all of the sports in which girls participate—hockey, volley ball, basketball, swimming, horseback riding, tennis, baseball, and dancing.

Several small parties, a snowball dance on January 8, planned under the chairmanship of Willa Lou Longley, and a picnic playday were given by the association.

FIRST ROW—Ballun.

SECOND ROW—Carter, Seamans, VanZandt, Schwartz, Kay.

THIRD ROW—Hicks, Willard, Huey, Anderson, Bartelt, Larson, Hunt, Hughes.

GIRLS' SWIMMING TEAM

The high school girls' swimming team which has fourteen members, competed with the junior college and St. Francis academy teams in form and speed swimming, diving, and stunts. The high school won with forty-five points; the junior college was second with thirty-four and St. Francis third with a score of twenty-one.

Fifty-two girls played in the singles tennis matches. The girls in each class played to find the best player in each class, and then the best freshman, sophomore, junior, and senior played each other to win the championship of the school.

The horseback riding club meets once a week regularly and also has early morning rides and treasure hunts over the thousand acres of natural beauty in Pilcher Park. Eva Ohlhaver, chairman, Jane Huey, Helen Jane Fay, Maxine Roehl, Margery Dibell, Gretchen Larking, and Nancy Sherwood rode in the spring horse show sponsored by the city club this spring.

In the crucial game with Lisle, after trailing for eight innings, the team rallied to win 7-6. Morton defeated Joliet only after a battle of eleven innings and won by a score of 4-3.

Most of the team will return next year and aid Coach Wills in developing another championship team.

J. J. C. TENNIS

This year the Joliet team under the able direction of Coach Paul Becker won the Tennis Division of the Northern Illinois Junior College Conference, having won all of its matches.

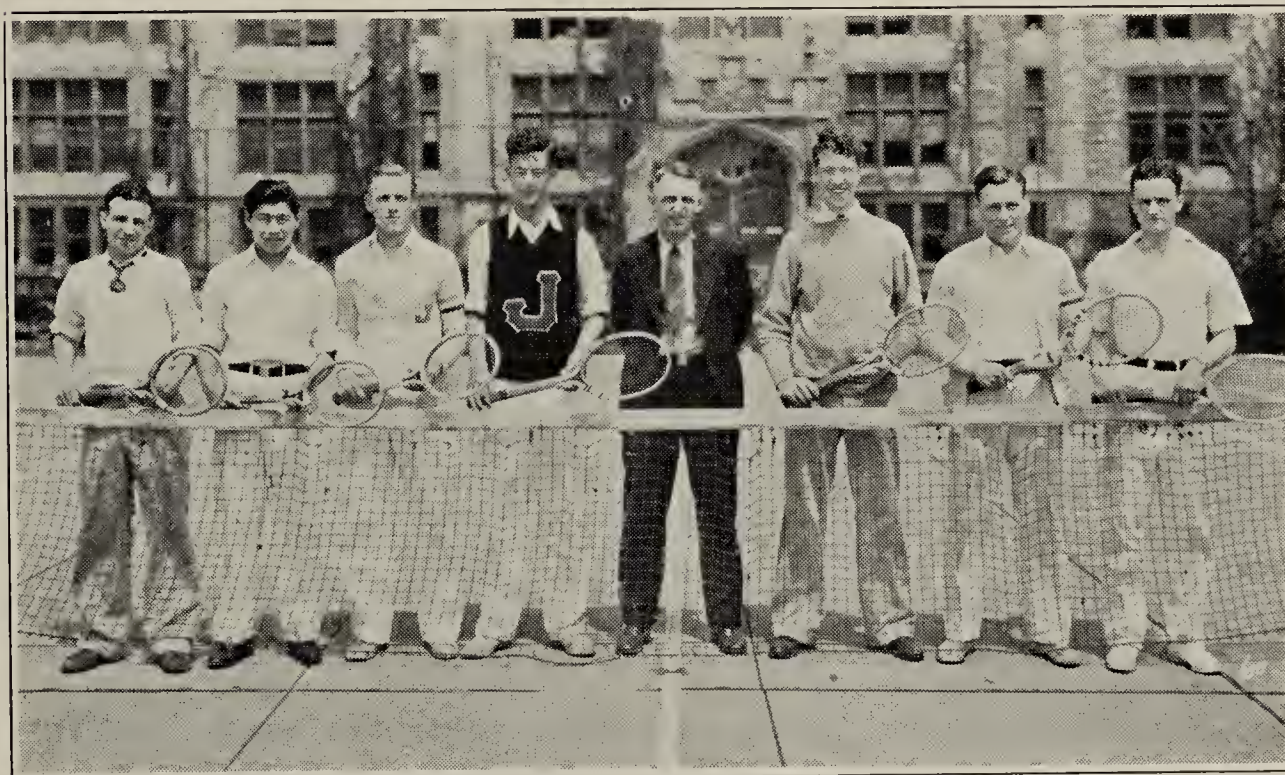

Ploughing doggedly through a schedule of fourteen dual matches, the tennis team of 1931 emerged with an ever victorious record. So brilliant and steady was their play that all seven conference matches were won 5-0. Non-conference matches with DeKalb, Crane, Valparaiso, and Aurora were also placed in the win column. To climax the season's play, "Bud" Austin annexed the singles title at Concordia.

With Austin, Blogg, Baumgartner, and Baskerville as a nucleus, the 1932 team has again placed an undefeated record on the score books. Carlson, Olson, and Long complete a squad that has won the conference title for the second consecutive year. While the squad played its most brilliant tennis when they beat Valparaiso 8-1, the match that will live long in its memory was the dogged up-hill fight that won the conference title at Concordia.

ALL JUNIOR COLLEGE BASKETBALL TEAM

W. A. A.

W. A. A.

Emblem winners, riders, basketballers, swimmers, and net women composed the W. A. A. this year. Although gym was an elective, more than a hundred co-eds enrolled and went out for sports. The officers of this worthy organization were: Betty Groth, president; Elizabeth McCambridge, secretary-treasurer; and Louise Carlson, social chairman.

A picnic with three treasure hunts—one for the riders and two for pedestrians—good eats, and fun galore was held at Betty Groth's home and was an attractive event of the year. Emblems were awarded at this outing by Miss Dorothy Westendarp; the highest awards were received by Beulah Green, Betty Groth, and Phyllis Tyacke, and the small J. C.'s were awarded to Elizabeth McCambridge, Beulah Green, Helen Dudek, Peg Wiswell, Virginia Dille, Louise Carlson, Mars Wiggam, and Doris Eib.

The college riders entered three events in the annual horse show; the five gaited, the three gaited, and the musical chair game. Prosperity hit the Riding club, for it increased about three times the size of last year's club.

The basketballers had good luck this season—especially the freshmen. They kept a clean slate by winning four and losing no games, while the sophomores won two and lost two. The all-star college team defeated the all-star high school team by a score of 18-15.

Can't be perfect all the time! The swimmers came in second in the meet, the high school team winning by about ten points.

"Love-thirty!" Tennis is still in full swing. But at press time Betty Robertson, Phyllis Tyacke, Beulah Green, Betty Groth, and Lorene Baker are still in the race in the J. J. C. tournament. All of these girls have reached the semi-finals.

The new officers for the coming year have already been elected. Louise Carlson will succeed Betty Groth as president. Helen Dudek will be vice president, Elizabeth McCambridge again secretary-treasurer, Zora Sitar the social chairman, and Peg Wiswell the head of sports.

EMBLEMS AWARDED BY G. A. A.

The emblems for girls earning the required number of points were awarded by the G. A. A. at the picnic at the Boy Scout cabin. Two girls earned the Illinois state award this year with over 2000 points, Caroline Huey and Christine Schwartz, seniors; three girls, Eloise Hunt, senior, and Jane Huey and Viola Larson, juniors, won the state league award with 1600 points; seven earned 1200 points and received J. G. A. A. emblems; and fourteen "J's" were awarded for 600 points.

This year, for the first time, one senior girl was selected as the best all-around athlete in the school. To be eligible for this position the candidate must have participated in all the sports on the G. A. A. calendar during her entire high school career. The selection is based on athletic ability, good sportsmanship, leadership, and scholarship. Christine Schwartz was the first girl to receive this honor for the school year 1931-32.

INTERCLASS TOURNAMENT HELD

A round robin and an interclass tournament were held in hockey, volley ball, basketball, and baseball; a total of four hundred ninety-four girls participated. The freshmen won in hockey. The college freshmen won in basketball with the high school sophomores in second place. Then the all-star high school team chosen from the class teams played the all-star college team, the latter winning by a score of 18 to 15.

TERPSICHOREAN CLUB

The Terpsichorean is an organization composed of twenty-six girls selected for their interest and ability in dancing. Members of the club furnished entertainment for many local organizations.

The Dance Program was given on January 29 by the Terpsichorean club and dancing classes of the high school and junior college.
